(Bring your questions about the Ross and what new developments and procedures are on the horizon)

## Thursday, February 14, 2019

6:00 pm - 8:00 pm in the Ross Heart Hospital Auditorium,
OSU Wexner Medical Center, 452 West 10<sup>th</sup> Avenue, Columbus, OH 43210
(Light meal provided and a parking pass for the attached Safe Auto garage)

**Ernest L. Mazzaferri Jr., MD, FACC** is the Medical Director of Ohio State's Ross Heart Hospital and an interventional cardiologist who specializes in complex coronary artery disease, valve disorders, and chronic total occlusions of coronaries. Dr. Mazzaferri believes that medical care should be a team effort among the physicians, medical staff, family and, most importantly, the patient. He strives to provide individualized care that's tailored specifically to his patients' needs and does his best to simplify complex problems so patients can make informed decisions about treatment plans.

Dr. Mazzaferri earned his medical degree from The Ohio State University College of Medicine and completed a residency in internal medicine and a fellowship in interventional cardiology at the Ohio State University Wexner Medical Center. He also completed a fellowship in cardiovascular disease at the University of Florida School of Medicine.

**RSVP** to Jeff Davidson at (614) 580-1561 or <u>jadavidson@columbus.rr.com</u>

Healing Hearts members seek to inspire, comfort and support heart patients and their families, and people at risk for heart disease, throughout the central Ohio community. Since March 2011, our group has grown to over 300 members and made over 9,000 patient visits at the Ohio State Ross and University East Hospitals. We share heart success stories, strive to stay healthy long-term, and host educational meetings each month!
