

Mended Hearts™
of Central Ohio

Heart Education Meetings

RSVP to join us and Dr. Raul Weiss, MD, FACC, FHRS and Director of the Electrophysiology Fellowship Program at OSUWMC who will speak on:

**"Living With Afib"
including a discussion of the variety of
therapies and procedures for effectively
treating it (with Q&A opportunities).**

You will also meet some inspirational people with Afib and other heart issues and hear some uplifting stories!

Thursday, July 14, 2016

**6:00 pm - 8:00 pm in the Ross Heart Hospital Auditorium,
OSU Wexner Medical Center, 452 West 10th Avenue, Columbus, OH 43210**

Light meal provided and a parking pass for the adjacent Safe Auto garage
(visit www.medicalcenter.osu.edu for directions)

Raul Weiss, MD, FACC, FHRS is an electrophysiologist, a professor of clinical medicine and director of the Electrophysiology Fellowship Program at The Ohio State University Wexner Medical Center. Dr. Weiss earned his medical degree from the University of Tucuman in Argentina and completed his residency in internal medicine at the University of Southern California in Los Angeles. He also completed fellowships in cardiovascular medicine and cardiac electrophysiology at the University of Michigan Medical Center in Ann Arbor, Mich. Dr. Weiss has published more than 200 abstracts, book chapters and peer-reviewed journal articles. He is an invited speaker on a national and international level, giving presentations on a variety of cardiac electrophysiology topics. Dr. Weiss is a member and Fellow of several professional societies, including the American College of Cardiology, the Heart Rhythm Society and the American Heart Association. His clinical and research interests are focused on clinical electrophysiology.

RSVP to Jeff Davidson at (614) 580-1561 or jadavidson@columbus.rr.com

Mended Hearts members seek to inspire, comfort and support heart patients and their families and people at risk of heart disease. Since March 2011, our central Ohio Chapter has grown to over 260 members and made over 8,000 heart patient visits at the Ross and University Hospital East. We share heart success stories, strive to stay healthy long-term, and host educational meetings each month!
