**Dr. Ayesha Hasan** is medical director of the Cardiac Transplant Program and also focuses on management of non-responders to cardiac resynchronization therapy. She is an associate professor of clinical medicine and director of the heart failure and transplant fellowship at The Ohio State University. Dr. Hasan is an invited lecturer on the local, national, and international level, giving presentations on chronic heart failure and cardiac resynchronization therapy.

**To RSVP** and for information on Mended Hearts, please contact  
Jeff Davidson at: (614) 580-1561 or [jadavidson@columbus.rr.com](mailto:jadavidson@columbus.rr.com)  
Visit our website at: [www.mendedheartscentralohio.org](http://www.mendedheartscentralohio.org)

Mended Hearts has over 18,000 members operating through 300 community-based chapters throughout the U.S.. Chapters partner with more than 450 hospitals and cardiac care facilities to provide patient-to-patient heart support. Mended Hearts' accredited volunteers annually average more than 200,000 comfort and support visits and calls to heart patients and their families. In short, Mended Hearts is about the "feel good" of sharing real-life heart stories to comfort others, staying healthy long-term, making new friends, and keeping current on developments in cardiac care and heart disease research.
