Our featured speaker, **Dr. Emile Daoud, MD, FACC** is the section director of Electrophysiology and a professor of clinical medicine at The Ohio State University Medical Center. Dr. Daoud is a nationally noted authority in the field of electrophysiology, is widely published, and participates in several clinical trials through Ohio State's Electrophysiology Research program.

**To RSVP** and for information on Mended Hearts, please contact Jeff Davidson at: (614) 580-1561 or [jadavidson@columbus.rr.com](mailto:jadavidson@columbus.rr.com)  
Visit our website at: [www.mendedheartscentralohio.org](http://www.mendedheartscentralohio.org)

Mended hearts has over 18,000 members operating through 300 community-based chapters throughout the U.S. Chapters partner with more than 450 hospitals and cardiac care facilities to provide patient-to-patient heart support. Mended Hearts' accredited volunteers annually average more than 200,000 "comfort and support visits and calls" to heart patients and their families.

In short, Mended Hearts is about the "feel good" of sharing real-life heart stories to comfort others, staying healthy long-term, making new friends, and keeping current on developments in cardiac care and heart disease research.

***It's Great To Be Alive.....and To Help Others!***
