

Mended Hearts of Central Ohio

Please RSVP to join us and learn about
"Advances in the Cardiac Catheterization Lab:
Plumbing in the 21st Century".

You will also meet inspirational people and hear incredible
heart success stories from our heart survivors!!
(Food and refreshments provided)

Wednesday, January 11, 2012

6:00 pm - 8:00 pm

**OSU Medical Center, Ross Auditorium
452 West 10th Avenue
Columbus, OH 43210**

**(use Safe Auto garage-parking fees waived, visit
www.medicalcenter.osu.edu for directions)**

Our featured speaker, **Dr. Ernest Mazzaferri, MD**, is the OSU Interventional Cardiologist/Associate Medical Director of Ross Heart Hospital who specializes in Heart Attack Care. He is a member of the AHA Science Advisory Tax Force for STEMI and chairman of the AHA Ohio Mission Lifeline Hospital Workgroup. Dr. Mazzaferri implanted the first "Ventricular Partitioning Device" in the US and has numerous awards and peer-reviewed publications.

To RSVP and for information on Mended Hearts, please contact Jeff Davidson at: (614) 580-1561 or jadavidson@columbus.rr.com
Visit our website at: www.mendedheartscentralohio.org

Mended hearts has over 18,000 members operating through 300 community-based chapters throughout the U.S. Chapters partner with more than 450 hospitals and cardiac care facilities to provide patient-to-patient heart support. Mended Hearts' accredited volunteers annually average more than 200,000 "comfort and support visits and calls" to heart patients and their families.

In short, Mended Hearts is about the "feel good" of sharing real-life heart stories to comfort others, staying healthy long-term, making new friends, and keeping current on developments in cardiac care and heart disease research.

It's Great To Be Alive.....and To Help Others!
