Mended hearts has over 18,000 members operating through 300 community-based chapters throughout the U.S.. Chapters partner with more than 450 hospitals and cardiac care facilities to provide patient-to-patient heart support. Mended Hearts’ accredited volunteers annually average more than 200,000 “comfort and support visits and calls” to heart patients and their families.

Mended Hearts is about the “feel good” of sharing real-life heart stories to comfort others; staying healthy long-term; making new friends; and keeping current on developments in cardiac care and heart disease research.
